CLUB POINTS RACING 2017

The Sailing Instructions for Club Points Racing have been rewritten for the 2017 season. You are advised to download the full NOR and SIs from the club Website.

There have been a number of significant changes from previous years – some of which are detailed below:

NOR 8 SCORING

8.1 Class Captains will be responsible for the production of results for their Class.

SI 6 SAIL NUMBERS

6.1 Boats may sail with a sail number different from their allotted number, provided that notice of this intention is given to the Class Captain for each individual race of a series before going afloat. Failure to comply with this will result in the boat being scored DNC without a hearing. This changes RRS 63.1 A4 and A5

SI 9 AREAS THAT ARE OBSTRUCTIONS

9.1 After starting correctly the finish line between the orange pole on the summer battery and the black mark F shall rank as an obstruction except when finishing or completing a round. Boats contravening this SI will be scored as DSQ without hearing. This changes RRS 63.1, A4 and A5.

9.2 This rule shall also apply to boats after finishing.

SI 11 THE FINISH

11.3 In addition to the procedure for shortening course in RRS 32, the race committee may award a finishing score to a boat that is still racing by displaying to her from a committee vessel (which may be in motion) flag W with one sound signal. A boat so notified is no longer required to sail the course (changing RRS 28.1), shall stop racing and shall return ashore if there is no more racing. A finishing score under this Sailing Instruction will be the score she would have received had she sailed the course and finished within any time limit, without gaining or losing any place.

11.4 In addition to the procedure for shortening course in RRS 32, the race committee may finish a boat when that boat has not completed the full complement of laps as completed by the first boat in that class. A finishing time under this Sailing Instruction will be calculated by the average lap method.
