

BYC Dinghy Lease -Terms and Conditions

The following club's dinghies - Toppers, RS Fevas and Lasers 1s are available for lease to Sailing members*.

Who can Lease a Club dinghy?

Any Ballyholme member other than Social or Outport members can lease a Club boat (Toppers, RS Fevas or Laser 1s) for sailing or racing. If they can demonstrate a level of sailing competency or hold RYA Level 2 for adults or stage 3 for those under sixteen. *A young person under 18 must be supervised or have permission from their parent or guardian to go afloat.

- Applications only from Full, Family or Cadet Members
- Applicant MUST hold RYA NSS Level 2/YSS Stage 3 or demonstrate an appropriate level of competency to an appointment representative from the Club.
- Applications for the lease of a boat that is a suitable pathway for the applicant profile (age, ability, size etc. *Toppers 8- 16 age group sailors etc. ** Laser 4.7 33-55kgs, Radial 55-75kgs & Full 75 kg plus)
- Feva applications- in the first instance priority will be given to BYC cadet members. However, applications from full or family member sailing or racing with a cadet member are welcome also.
- Application from a member who does not own a boat.
*An application from a boat owner may be considered, should no other lease applications be received for that particular boat or boats.
- Application from a member who has not leased a boat from BYC in the past 3 years

Multiple valid applications meeting the criteria: In the first instance, the Club will approach the applicants in an attempt to see if the lease can be shared (ie 3 months each: early, late summer points or 1st /2nd parts of winter icebreaker series). Failing agreement, a random draw will be used to allocate.NB.

Only With prior agreement (confirmed in writing) can Eric Twiname Trust Toppers and RS Fevas be used off site at the following: RYA Youth Championships, RYA Feva training or at RS traveller series.

Toppers, RS Fevas Lasers may be leased to participate in Club racing as part of the lease agreement.

Club Training, including youth summer courses, adult sailing courses and training days have priority for the use of all club dinghies. Leaseholders will be informed via e mail of training dates. Should an event coincide with a training course, Rear Sailing Sec, Chair of Training and/or lead Senior Instructor will seek a resolution.

How to Lease a dinghy

The Club will advertise annually (February of each year) the opportunity to lease Club boats.
**Should a boat not be currently out on lease, a member can register an interest via e mail.*

The completion of the online registration process on the club website is a **must**.

Any member leasing a Club boat must complete and sign the Booking Terms-risk statement, failure to sign invalidates the lease agreement.

How much does it cost to Lease a Club dinghy

Lease Period	Limited to 3 months		
Laser 1	£275 *		
Lease Period	3 months	6 Months	Annual
Topper	£175 *	£300 *	£400 *
RS Feva	£200 *	£400 *	

*Dinghy Park fees and Insurance are included in fees

How long can I lease a Club boat for

The opportunity exists for an eligible Club member to lease a Club Laser for 3-month duration. A further 3-month lease period will be granted subject to no other requests to lease the boat. **(An eligible member or their parent or guardian can only lease a Club laser twice in a three-year period)**

The opportunity exists for an eligible Club member to lease a Topper or RS Feva for a 3 or 6 month timeframe. **(An eligible member or their parent/guardian can only lease a Club Topper or RS Feva for a maximum of 6months)**

Signing Out/In

- There is no requirement to sign out/in lease agreement dinghies. However, it is leaseholder's responsibility **to inform** the office of, **all** missing items or record of damage, defects or problems.

All Club dinghies have their own individual trolleys and parking space in the dinghy park. Please ensure that you return the dinghy on its own trolley to its appropriate location.

Check your dinghy

Ballyholme Yacht Club will only provide boats fit for use. They **MUST** prior to launching, check the dinghy over for any damage or defects and to ensure that all safety equipment is present and working if applicable. **Carefully store the dinghy cover**

Use only the parts belonging to each dinghy. All the sails, masts, covers and trolleys for club dinghies are marked with an identification number specific to each dinghy. Please do not use equipment belonging to another dinghy. This is to ensure that different dinghies are kept in various conditions for racing or beginner training etc. Please ensure that you also put the dinghy back on its own numbered trolley.

Launching & recovery

Dinghies should always be launched and recovered at the slipway (**North or South slipway only**) where it is safest to do so, taking account of sea and weather conditions and in suitable depths of water to avoid accidental damage to the hull or foils.

Feva crews should always drop the mainsail before approaching the slip when the wind is onshore (ie N, NE, E to SE direction). Ideally, after launching you should ensure the trolley is returned to its designated space and certainly not just abandoned where it could cause any inconvenience to other members. Leaving **trolleys in the centre the main slipway** during a falling tide must be avoided as this causes inconvenience to other boat users wishing to launch etc. Think of others!

Safety

A personal flotation device must be worn at all times by everyone aboard the dinghy. Club Byelaw 8.1 refers (to be checked). Other safety equipment such as a handheld radio etc could be useful – especially if taking the boat some distance from the club. Smoking aboard any club boat or dinghy is strictly prohibited.

These guidelines are designed to keep the club boats in the best condition possible, but the hiring of boats is conditional upon the hirer adhering to them. Hirers who do not take care of equipment will be unable to hire dinghies in the future.

Weather and sea state

It is the responsibility of the sailor to check the weather forecast and combined with an appraisal of the conditions on the day to make a decision on whether or not to sail. Launching in any offshore breeze (actual or forecast) is not permitted unless there is adequate, informed support craft.

Damage

All damage as previously stated must be reported as soon as possible. The first £250 of any repair bill will be met by the person or *parent/ guardian leasing the boat.

Ballyholme Yacht Club Executive reserves the right to rescind any dinghy lease agreement,

Boat Equipment Checklist
