ANNUAL SUBSCRIPTION PAYMENTS

The Club relies upon each member paying an annual subscription in full – only in this way can costs be adequately covered & subscriptions be maintained at their very reasonable level: hence shorter term subscriptions are unavailable. Annual subscriptions are payable in advance, either in full following application, or in instalments by variable direct debit, normally eleven monthly payments per year.

Please note that the annual subscription relates to the calendar year (1st Jan to 31st Dec) not to any rolling 12 month period, and falls due each Jan 1st. Direct Debit is strongly recommended for your convenience as the payments are small and are calculated for you.

| PAYMENT METHOD: | • | ate enclosed | or □I wish to pay by Card (we will contact you t | to arrange payment) |
