

CANCELLATION POLICY

Payment in full is required at the time of booking any training course, coaching session or boat hire.

BYC is committed to ensuring that you are always safe. BYC will cancel a booking due to heavy rain, lack of visibility, or excessive winds. Should a sailing session be cancelled due to poor weather, your booking will be transferred to another day of your choosing, and as availability allows for both parties.

If the booking party cancels a course or boat hire agreement less than 4 weeks prior to its start date, he/she will not receive a refund of fees paid.

In the event of sickness, a refund may be made on the production of a valid Sick Note, issued by your GP surgery.
